FACTORY TRAINING
PROGRAMS

**MORE THAN JUST A WORKSHOP.
BE PART OF THE SGM FACTORY TRAINING PROGRAM.**

The SGM Factory Training Program is a three-day, hands-on workshop focusing on proper installation of SGM swimming pool and deck finishes. The purpose of this course is to familiarize pool industry professionals with the preparation, application, exposure, maintenance and troubleshooting of pool plaster and deck finishes. Our experienced instructors, detailed course materials and training aids will give you the real-world techniques and understanding to specify, install, troubleshoot and service the best and most recognized product line of swimming pool and spa finishes.
